

Home School Agreement

Our School Vision:

Gainsborough School is a co-operative learning community where all achievements are celebrated and valued. Staff facilitate and engage learning through creativity, innovation, effective communication technologies and by harnessing students' talents and interests. Our children will leave Gainsborough as responsible citizens of the world and as life-long learners and thinkers.

Gainsborough Goals:

Our school is a Rights Respecting School, the rights we particularly focus on at Gainsborough are:

- Article 14: Adults should help you decide what is right and wrong
- Article 15: You have the right to play with other children
- Article 18: You have the right to a good education
- Article 29: School must develop every child's personality, talents and ability
- Article 39: You have the right to help if you have been hurt

These rights underpin our Gainsborough Goals which are integral to all we do here at Gainsborough. Our home school agreement is designed to support and underpin these values.

Parents and carers will make every effort to:

- Support their children's learning at home
- Have their children at school on time with everything they need for the day in their bags
- Support the school in achieving a high standard of behaviour
- Let the school know early if there are situations at home that may affect their children in school
- Inform the teacher early if they are anxious about any aspect of school life
- Use the home school diary regularly and support their children in completing homework
